

## Become a friend of Lafayette Park.

Lafayette Park is one of the finest assets of our wonderful neighborhood, and the Friends of Lafayette Park (FOLP) is an organization of neighbors dedicated to preserving and improving the park.

### In our first ten years we have implemented:

- the addition of gardens
- playgrounds
- upgraded tennis courts
- upgraded ball fields
- amphitheater
- gazebo
- the tot lot
- benches
- and much more

Lafayette Park is framed by the following streets, Quesada, Broad Branch, 33rd, and Northampton on the south side of the park.

The park is open daily to the public and closed after dark.

In the future we hope to add such improvements as a running track, better lighting, and a new recreational center. **Please join your neighbors as we maintain and improve Lafayette Park.**

You can help by giving us your thoughts and ideas for the park, attending our spring and fall clean-up days and becoming a member of Friends of Lafayette Park. Please visit our website for more information at [www.thefolp.org](http://www.thefolp.org).
